  - Earlier delivery of guidelines on article 4&5
- **Final outcome:** BEREC shares stakeholders concerns and have advanced work plan.
  - Public consultation: May,14th- June 3rd (3 weeks)
  - Final Publication: Beginning July.

## Inputs considered for the guidelines

## Contents and structure

- **Contents:**
  - 48 guidelines addressing different issues on the separate sale of roaming services.
  - Consumer issues, rights and obligations for access seekers and access providers.
  - Specific issues in the relation and interfaces among actors.
  
- **Structure:**
  - General guidelines
  - Guidelines for Local Data Roaming Services (LBO)
  - Guidelines for Single IMSI

## Guiding principles

- **Consistency with art 3 guidelines.**
  - When possible, application of same rules on non-discrimination, meaning of “fair and reasonable”, information to be provided among actors, etc.
- **Encouraging competition at the retail level**
- **Minimizing investment by operators**
- **Allowing the evolution of technical interfaces and technical solutions.**
- **Homogeneous implementation across the EU leaving room for NRA interpretation in specific cases.**
